Madelia Community Foundation Inc. receives \$10,000 grant from Federal Home Loan Bank of Des Moines and Pioneer Bank through the Member Impact Fund

Grant program supports affordable housing and community development

Madelia, MN (June 25, 2025) – Madelia Community Foundation Inc. is thrilled to announce it has received a \$10,000 grant from Pioneer Bank and the Federal Home Loan Bank of Des Moines (FHLB Des Moines) through the Member Impact Fund. This grant is part of \$20 million in funding awarded by FHLB Des Moines through a matching grant program to support affordable housing and community development in Minnesota.

“This project represents a renewal of our public spaces and pride in our town,” said David Beck, Director of Madelia Community Foundation Inc.

The grant will help fund the development of a new splash pad and community park in Madelia, offering a safe and welcoming space for families and children to gather, play, and enjoy the outdoors.

“Madelia Community Foundation Inc. embodies the resilience and spirit of its community. We’re grateful to support projects that bring people together and create shared spaces,” said Steve Cooling, Market President of Pioneer Bank in Madelia.

FHLB Des Moines provides funding solutions to more than 1,200 members to support mortgage lending, economic development and affordable housing in the communities they serve. The Member Impact Fund provides FHLB Des Moines members up to \$3 for every \$1 in matching grant donations to strengthen the ability of not-for-profits or government entities to support the needs of their communities.

“The Member Impact Fund enables our members to directly support local organizations who matter to them, creating value and a profound impact in their own communities,” said Kris Williams, president and CEO of FHLB Des Moines. “The commitment of Pioneer Bank to champion organizations like Madelia Community Foundation Inc. inspires us all.”

Recipient organizations were selected based on the needs for grant funding to support capacity-building or working capital necessary to strengthen their ability to serve affordable housing or community development needs including job training, affordable housing, financial literacy, food banks and youth programs.

Since its founding in 2023, the Member Impact Fund has supported affordable housing and community development with nearly \$70 million in grants awarded by FHLB Des Moines. Member institutions apply and receive Member Impact Fund matching grants to be distributed to eligible organizations alongside their own grant contribution.
