City of Mapleton Economic Development Authority receives \$10,000 grant from Federal Home Loan Bank of Des Moines and Pioneer Bank through the Member Impact Fund

Grant program supports affordable housing and community development

Mapleton, MN (July 15, 2025) – Pioneer Bank, in partnership with Federal Home Loan Bank of Des Moines (FHLB Des Moines), is pleased to announce that the City of Mapleton Economic Development Authority (EDA) will receive a \$10,000 grant from the FHLB Des Moines Member Impact Fund. This matching grant program, which was introduced in 2023, will provide nearly \$12 million to eligible Minnesota organizations in order to strengthen communities in targeted areas of FHLB Des Moines' district.

"This grant is a huge step forward in addressing our local childcare shortage," said Jeff Annis, Mapleton Mayor. "With this support, we're able to move closer to providing a quality daycare option that working families in Mapleton desperately need."

The grant will support the development of a new daycare facility in Mapleton, helping to expand access to affordable, high-quality childcare for area families.

"Access to quality childcare is critical for working families," said James Gordon, Market President of Pioneer Bank in Mapleton. "We're honored to support Mapleton's efforts to meet this essential need."

FHLB Des Moines provides funding solutions to more than 1,200 members to support mortgage lending, economic development and affordable housing in the communities they serve. The Member Impact Fund provides FHLB Des Moines members up to \$3 for every \$1 in matching grant donations to strengthen the ability of not-for-profits or government entities to support the needs of their communities.

The Member Impact Fund is part of FHLB Des Moines' ongoing mission to offer a variety of funding options through its members to support affordable housing and community development needs. Kris Williams, President and CEO of FHLB Des Moines, shares, "We are thrilled to see grants from our Member Impact Fund having a direct, positive impact on the communities in which our members help advance affordable housing and community development needs in a meaningful way."

Recipient organizations were selected based on the needs for grant funding to support capacity-building or working capital necessary to strengthen their ability to serve affordable housing or community development needs including job training, affordable housing, financial literacy, food banks and youth programs.

Since its founding in 2023, the Member Impact Fund has supported affordable housing and community development with nearly \$70 million in grants awarded by FHLB Des Moines. Member institutions apply and receive Member Impact Fund matching grants to be distributed to eligible organizations alongside their own grant contribution.
